## Statement of intent

**St Damian's RC Science College** believes that in order to facilitate teaching and learning, good attendance is essential. Pupils cannot achieve their full potential if they do not regularly attend school.

We are committed to:

- Promoting and modelling good attendance.
- Ensuring equality and fairness of treatment for all.
- Intervening early and working with other agencies to ensure the health and safety of our pupils.
- Rewarding regular attendance.
- Following the framework set in section 7 of the Education Act 1996 which states that:

“The parent of every child of compulsory school age shall cause him/her to receive efficient full-time education suitable:

- (a) to age, ability and aptitude and
- (b) to any special educational needs, he/ she may have

Either by regular attendance at school or otherwise”.

### **RATIONALE:**

The Mission Statement of St Damian's RC Science College outlines the College's approach to the well-being and development of all young people. In order for the College to ensure the present and future success of pupils it is essential that each pupil attends regularly and punctually. Ensuring the regular attendance of pupils is more than a statutory obligation. At St Damian's, all pupils are welcome in the College community, and it is the intention of the Governing Body and all members of staff that pupils should find within the College, learning experiences that are enjoyable, engaging and relevant to each individual's, present and future needs. Regular attendance is essential if the College is to 'foster the ability of each individual' by promoting his/her academic, spiritual, social, moral and cultural development. The College's ethos demonstrates that students feel that their presence in the College is important, that they are missed when they are absent or late. The College will take appropriate action when necessary in order to promote the aims of the policy.

### **PURPOSES:**

- To ensure that parents and pupils appreciate the value of continuous College attendance by maximising the attendance of each individual.
- To identify non-attendance and the reason for it at an early stage.
- To successfully re-integrate any pupil after long periods of non-attendance or interrupted attendance.
- To inform parents of their daughter's/son's attendance record.
- To monitor and support pupils whose attendance is a cause for concern and work in partnership with parents and carers to resolve the causes of non-attendance.
- To analyse attendance data regularly to inform future policy and practice
- To work closely and make full use of the support from the wider community including the Education Welfare Service and multi-agency teams.
- To provide an environment which encourages regular attendance and makes attendance and punctuality a priority for all those associated with the College.

## 1. Legal framework

1.1. This policy has due regard to the following legislation and guidance, including, but not limited to:

It is the responsibility of the Local Authority to ensure that parents meet these responsibilities. Attendance enforcement is usually carried out by the LA Education Welfare Service following a period of partnership intervention by the College staff and the EWO with the individual pupil/family.
- The Equality Act 2010
- The Education (Pupil Registration) (England) Regulations 2006 (as amended)
