Dear Parent/Carer

We have now reached the end of another academic year at St Damian's.

We have had a highly successful year, culminating in another outstanding judgement from Ofsted. This is external recognition and validation that we provide a truly first-class education for our, your, **great children**. To achieve outstanding is a whole school effort but also reflects overwhelming support from parents. Thanks for entrusting to send your child here. The staff and I will continue to ensure they get what they deserve; the 'best' holistic education on offer!

But we have also experienced loss. Mr Tuck dedicated his life to teaching Drama at St Damian's and had such an incredible impact on all those he taught. Calvin Giron who was taken from us so young, and had so much life to live. Mrs Jones, our Chair of Governors, and valued friend of St Damian's who would have been so proud of this united community and St Damian's today, reflects the hopes and dreams of Mrs Jones.

The last couple of days in school have been very exciting. The children have taken part in Share Day and Sports Day and despite the weather forecast, had a great time. The children didn't let us down, they behaved impeccably and were able to enjoy some fantastic activities.

Year 10 have been out on their work experience this week and judging by the feedback we have received so far, our children have really enjoyed and benefitted from the experience.

I hope you and your family have a safe and happy summer and I look forward to welcoming you back to school on Monday 4th September.

Yours sincerely

Mr S Logue
