Foreword from Bishop John

“The Faith in Action Award Scheme is a welcome encouragement to young people to actively develop their relationship with God, to deepen their faith and put that faith into action for the common good.

Its strength lies in inviting young people and adults in schools and parishes to journey together in faith and to make a difference in the world around them; so that all might know the joy of the Gospel.”

About the Award

The CYMFed Faith in Action Award rewards young people's active service in helping to build the Kingdom of God on Earth. Many young people are doing so much to follow Jesus' example in serving others in their schools and parishes. The Faith in Action Award encourages young people to take that service into their wider community and accept greater responsibility for their faith in action.

The programme facilitates an exploration of scripture and Church teaching, with an emphasis on translating this into action. It encourages young people to shine the light of faith upon their experience of service through guided and personal reflection.
