Headteacher

Mr S Logue BA (Hons), M.Ed., NPQH

6th April 2022

Dear Parents / Carers,

Greater Manchester High Achievers Partnership (GMHAP) with Loreto College

I am pleased to invite your child to join a programme for high achievers linked to Loreto Sixth Form College. Congratulations to your child for being selected to take part.

Greater Manchester High Achievers Partnership (GMHAP) is a partnership between Loreto College, Manchester University and high schools across Greater Manchester. GMHAP focuses on inspiring the brightest students to academic success through masterclasses in a range of subjects. The partnership has been a great success for the students, not only in terms of personal development and being stretched to achieve the highest grades at GCSE, but also for progression beyond college. Many of those taking part have gone on to study at some of the most prestigious universities in the country, including Oxford and Cambridge

Throughout the year the main focus of GMHAP is subject specific masterclasses designed to support and extend students' understanding and engagement with the new GCSE curriculum in key areas including English, Maths, Biology, Chemistry, Physics, French, Spanish and Geography. There are also other events which take place throughout the year.

The online Year 10 GMHAP launch event will take place on Wednesday 4th May at 6pm. The event will cover what the GMHAP programme involves and other information on supporting high achieving students, with talks from Loreto staff, former GMHAP students and the University of Manchester.

On the evening you just need to click on this link bit.ly/3DwvXYZ to access the event. There is no need to sign up just click on the box that says 'watch on the web instead'.

If your child wishes to take part, please ask them to confirm their attendance by sending me a message on MS Teams by Wednesday 27th April 2022.

Yours sincerely,

M. Henshaw

Mrs M. Henshaw
