26th September 2022

Dear Parent/Carer,

It is with a very heavy heart that I write to inform you that Mr Tuck passed away in the early hours of this morning at home with his family.

Mr Tuck has been teaching over 40 years and has been a valued member of our school since 1990 and the impact he has had on the school community has been immeasurable. The number of pupils who Mr Tuck has taught over the years must be into the 1,000's. Furthermore, he has led on many excellent school productions and shows over the years that have had massive influences on many of our young people into adulthood. Quite often parents couldn't believe what they saw when they came to watch their children perform, the confidence that was exuded and the opportunities to develop their self-belief and confidence.

On a personal level, Mr Tuck was a great colleague and on informing the staff this morning, it was obvious that he has had a massive impact on them, including several staff who he taught. Please join with me, the staff, pupils and governors in keeping Martin and his family in your thoughts and prayers. May he rest in peace.

Kind regards

Yours sincerely

Mr S Logue
